

SYLACAUGA RESIDENTIAL GARBAGE SERVICE

- ◇ ***All items for pick up should be at the curb prior to 6:00 am on day of pick up!
(Some areas are serviced prior to 6:00 am)***
- ◇ Please make sure that the carts are turned the correct way with the handle facing away from the street.
- ◇ Green can with blue lid is for trash: Twice weekly: Monday/Thursday or Tuesday/Friday
 - * It is requested that all household garbage be bagged to minimize trash blowing from the truck littering streets and neighborhoods.
- ◇ Green can with green lid is for recycling: Every other Wednesday. Please see schedule on reverse.
 - * It is requested that all recycling be bagged to minimize trash blowing from the truck littering streets and neighborhoods.
 - * Recycling does NOT have to be separated. (Newspaper, #1 & #2 plastic and aluminum, tin or steel cans can be placed in the same bag.)
 - * Please rinse all plastic, aluminum, steel and tin cans.
 - * Absolutely NO glass, containers of food or plastic shopping bags. Plastic shopping bags may be used to bag the recycling.
- ◇ Curbside Yard Waste/Bulk Waste: Once a week. If you do not know your day, please contact the Mayor's Office.
 - * **Curbside Waste will not be picked up from vacant lots or vacant houses.** Waste must be placed in front of the YOUR residence.
 - * It is preferred that grass and leaves be bagged to minimize damage to lawns. If not bagged, place in piles-not long rows.
 - * **DO NOT place grass clippings, limbs or leaves in the gutters/storm drains!**
 - * Make sure waste is not piled near power lines, power poles, mailboxes, fences or vehicles.
 - * The following items will not be picked up: any contractor debris, roofing shingles, liquid paint, batteries, tires and other similar items.
